(2) Proceedings of the Dewan of Mysore.

Order. No. 11 Bangalore, 11 Sept. 1888.

Heads of Departments and other Government Officers are requested not to compound the pecuniary claims of public servants by promising to provide for their sons or other relatives. Such promises, if fulfilled, lead some times to inefficiency of the public services. Moreover it is highly desirable that no public servant should be deprived of the pension or gratuity he may have earned. The appointment of sons of retired Officials, where duly qualified, is of course desirable but a public servant should not be deprived of a pension already earned which is intended to maintain him in ease and comfort during old age.

To the Dy Commr of District
The Heads of Depts.

I am, Sir,
Yours faithfully,
For Chief Secretary.
